

As summer approaches, the Division's construction season is underway. Crews are out performing repairs on the Town's infrastructure. Some additional responsibilities of the Division are:

- Pruning trees to increase visibility at intersections and Town signage
- Continuation of street sweeping
- Crack sealing of streets
- Street repairs

The summer season brings numerous challenges to the Division as it is called on to respond to various sorts of assignments. On any given day crews respond to:

- Emergency tree removal
- Response to auto accidents
- Hazardous waste spills
- Emergency assistance Townwide
